Note that spellings will now be set and tested on Wednesdays

Keep going with the practising! Lots of you are getting much quicker now. Remember to play in Studio mode to log your speed.

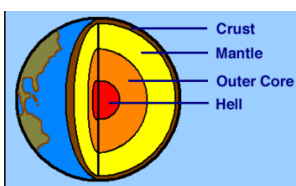

*Remember to read at home regularly (at least 10 minutes a day) and hand in reading diaries on Mondays to be checked- you could get a "Read to Succeed" ticket and win a book!*

1) In maths we've returned to division and are now working on division with remainders. Can you create some of your own sums which will have remainders? Use your times tables to help you

2) In English we have been looking at **homophones** (words which sound the same but have different spellings and meanings). How many pairs of homophones can you list? Maybe you could create your own homophone word search, create sentences or pictures using homophones.

3) In Science we have been looking at the structure of the earth including the crust, mantle and core. Can you make a model of the earth using plasticine or maybe create your own diagram?

Next Wednesday 6<sup>th</sup> January please drop in to see your child's books after school.
