

## Ideas for Year 2 Home Learning

Thursday 6<sup>th</sup> June 2019

Dear Parent/Carers,

Please find below some ideas for guiding your children's learning at home. Please encourage your child to complete one or more of the activities, with your support if necessary, **along with** their ongoing maths and spelling work which is also outlined for the week at the end of this page.

Remember, you can email photo's or observations of your child's Home Learning to;

[y2homelearning@exwickheights.devon.sch.uk](mailto:y2homelearning@exwickheights.devon.sch.uk)

For evidence of completion of the tasks set, please sign your child's Home Learning book record, indicating which tasks were completed.

Thank you!

.....

**This half term our topic is based around animals and their habitats.**

### Maths: we are learning about time

- 1) Make a timetable to show what you do during the day and write the times on. How is your weekend different to a school day?
- 2) Can you find out which month in 2019 has the most Mondays? Do they all have the same number of weekends?
- 3) [https://mathsframe.co.uk/en/resources/resource/116/telling\\_the\\_time#](https://mathsframe.co.uk/en/resources/resource/116/telling_the_time#)

### Topic:

- 1) Choose an animal and find out about where it lives and what it needs to survive. You can represent this in any way you like: e.g draw a spider diagram, a picture/poster, a booklet.....
- 2) Find out how animals have adapted to their surroundings. How do their skin, fur, feathers etc, help to keep them safe?

### PE

- 1) Play catch – throwing and catching with two hands or one hand behind your back.
- 2) Try kicking a ball accurately and gently to a partner; when they kick it to you, can you control it and kick it back?
- 3) How many times can you bounce a ball on a tennis racket without it falling?

## Year 2 Spellings

Please see the sheet that is coming home today. The children need to be able to read and spell correctly all the words on the sheet. Over the next few weeks we will be randomly testing ten words a week so please help your child to learn any that they are unsure of.

## Times Tables

<u>2 times table</u>	<u>5 times table</u>	<u>10 times table</u>
$2 \times 0 = 0$	$5 \times 0 = 0$	$10 \times 0 = 0$
$2 \times 1 = 2$	$5 \times 1 = 5$	$10 \times 1 = 10$
$2 \times 2 = 4$	$5 \times 2 = 10$	$10 \times 2 = 20$
$2 \times 3 = 6$	$5 \times 3 = 15$	$10 \times 3 = 30$
$2 \times 4 = 8$	$5 \times 4 = 20$	$10 \times 4 = 40$
$2 \times 5 = 10$	$5 \times 5 = 25$	$10 \times 5 = 50$
$2 \times 6 = 12$	$5 \times 6 = 30$	$10 \times 6 = 60$
$2 \times 7 = 14$	$5 \times 7 = 35$	$10 \times 7 = 70$
$2 \times 8 = 16$	$5 \times 8 = 40$	$10 \times 8 = 80$
$2 \times 9 = 18$	$5 \times 9 = 45$	$10 \times 9 = 90$
$2 \times 10 = 20$	$5 \times 10 = 50$	$10 \times 10 = 100$
