Year 5

HOME LEARNING

Don't forget! You can send home learning work to
y5homelearning@exwickheights.devon.sch.uk

Topic:

We have been learning about sustainability.

Record how much plastic your home uses in a week.

You could:

- Keep a tally chart
- Take photographs
- Weigh all of it!

Reading:

Read as often as you can!

Make sure that you record your reading in your Reading Journal. Read at least three times with an adult's signature for a Read to Succeed ticket to be in with the chance of winning a book!

Spellings:

Please learn this spelling pattern and find out words which fit this pattern.

-ation endings

(changing a verb to a noun)

Examples of words which follow this pattern are:

accusation	information
preparation	admiration
medication	donation
communication	deflation

Maths:

Find out what year your friends and family were born in and write the years in Roman numerals.

Science / Music:

Choose a planet to research.

Present your findings in a creative way— art work, poster, Powerpoint, model etc.
