

Year 4 HOME LEARNING

Instructions:

Every week, your child will be given some tasks, that would benefit their learning, to do at home. Tasks will include, something they will need to write/complete and then an active/practical task such as research or discovering something at home.

The types of task will alternate each week to allow enough time for written home learning work in books to isolate once back in the classroom and to be checked by a teacher. They will then be isolated again before going home with your child. The practical activities can be completed whilst the books stay at school but can be recorded by photos/computer etc and emailed in.

- i.e. Week 1: Writing—Spellings and maths in home learning books.
- Week 2: Practical— Making patterns to represent a Roman soldier (photos sent via home learning email).

Home learning books will need to be in on a Thursday and will be given back to the child the following Thursday.
