Don't forget! You can send home learning work to  
y5homelearning@exwickheights.devon.sch.uk

# HOME LEARNING

## Topic:

We will be learning about sustainability.

Record how much plastic your home uses in a week.

*You could:*

- Keep a tally chart
- Take photographs
- Weigh all of it!

## Reading:

Read as often as you can!

Make sure that you record your reading in your Reading Journal.

Read at least three times with an adult's signature for a Read to Succeed ticket to be in with the chance of winning a book!

## Spellings:

Please learn this spelling pattern and find out words which fit this pattern.

### **-ation endings**

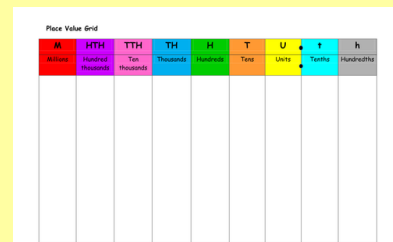

#### **(changing a verb to a noun)**

Examples of words which follow this pattern are:

- |               |             |
|---------------|-------------|
| accusation    | information |
| preparation   | admiration  |
| medication    | donation    |
| communication | deflation   |

## Maths:

Make your own place value grid poster. Can you think of some word problems for your friends to solve, where they could use the grid to help them?

## Science/English

Look at the night sky. What can you see? What is going on out there? Write a short story based on what you can see. You can decide whether to be inspired by fact or

fiction!
