

Ideas for Year 2 Home Learning

Thursday 19th September 2019

Dear Parent/Carers,

Please find below some ideas for guiding your children's learning at home. Please encourage your child to complete one or more of the activities, with your support if necessary. Please email photos or observations of your child's Home Learning to;

y2homelearning@exwickheights.devon.sch.uk

Thank you!

- This week, each class has worked together to create their own set of class rules. We have been trying very hard to stick to them! Talk with your grown-up about the rules you have in your house. How are they different from the ones they had when they were growing up? How are they the same? You could telephone or video-call a grandparent or much older relative or friend and chat to them about the rules they had to follow when they were younger.

- In Art we have been working on self-portraits! Could you ask members of your family (and / or pets) to pose for you so that you can draw them? Remember to think carefully about the shape of faces and the position of the eyes, nose and mouth!

- We spend lots of time at the minute washing our hands! Make up a song or poem about handwashing to say quietly to yourself whilst you are doing it! You could video yourself performing it and send it in via the email!
