

Home learning for 19<sup>th</sup> November

Dear Parent/Carers,

Please find below your children's learning at home for this week. Please encourage your child to complete one or more of the activities, with your support if necessary, along with their ongoing maths and spelling work, which is also outlined for the week at the end of this page.

Remember, you can email photos or your observations of your child's Home Learning to [y6homelearning@exwickheights.devon.sch.uk](mailto:y6homelearning@exwickheights.devon.sch.uk) For evidence of completion of one of the tasks set, please sign your child's Home Learning Book record, indicating which tasks were completed.

Thank you!

.....

For this next two weeks, we would like you to,

Write a biography on David Attenborough, you can use your research to support you. The example of a biography is there to help you; this is an example of a year 6 level biography.

We would also like you to complete the maths and reading sheets in your book.

All of this is due in on Thursday 3<sup>rd</sup> December.

Alongside this home learning, we expect children to learn spellings from the attached sheet. Children in year 6 are expected to learn these by the time they leave primary school, we will be testing children on these spellings throughout the year.

In addition, children must learn their times tables and to be able to recall them with speed up to 12x12, we are expecting all children to know this by Christmas, in order for them to further their maths learning and enabling them to access SATS questions. Every child now has a Sparx login, which will support and enable children in learning their times tables.

We also expect children to read at home on a regular basis, so please encourage your child as much as possible to do this, they have Reading Journals to record in.
