

Home learning for 1st April

Dear Parent/Carers,

Please find below your children's learning at home for this week. Please encourage your child to complete one or more of the activities, with your support if necessary, along with their ongoing maths and spelling work, which is also outlined for the week at the end of this page.

Remember, you can email photos or your observations of your child's Home Learning to y6homelearning@exwickheights.devon.sch.uk For evidence of completion of one of the tasks set, please sign your child's Home Learning Book record, indicating which tasks were completed.

Thank you!

.....

For the Easter Holidays, we would like you to complete the following:

- Decide which invention has had the biggest impact on the world and why?
- Create your own invention and explain how it works and what impact or change it may have on the world.
- Can you find out facts about the heart and try to create your own model of one?

Alongside this home learning, we expect children to learn spellings from the attached sheet. Children in year 6 are expected to learn these by the time they leave primary school, we will be testing children on these spellings throughout the year.

We also expect children to read at home on a regular basis, so please encourage your child as much as possible to do this, they have Reading Journals to record in.
