HOME LEARNING

Don't forget! You can send home learning work to
y5homelearning@exwickheights.devon.sch.uk

PSHCE:

Last week we looked at self-esteem and personality in our PSHCE lesson.

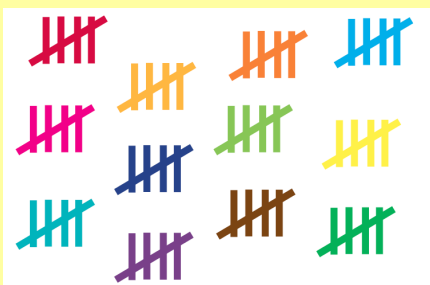

Could you make a leaflet for others, giving tips for boosting self-esteem.

Maths:

Can you look around your house and find as many 2D and 3D shapes as you can.

You could use a tally chart/bar model etc. to record your findings.

Please head to Spelling Shed to complete this week's spellings.

Read a book and take a quiz on Oxford Reading Buddy.

Reading:

Read as often as you can! Challenge yourself to read for 30 minutes per day...

It may be your name next time, that is pulled out in the read to succeed draw!

French:

Draw a picture– it could be of an ice-cream van– and show/label all of the ice-cream flavours you have learnt about this week!

J'adore la glace!
